

To Cwest company,

I've noticed that you are in need of a qualified instructor for the workshops you're planning to hold and I'm interested in finding out more about this job opportunity.

I'm Zahra Taghavi. I'm a B.A. holder of Italian Language and Literature from the University of Tehran with 4 years of teaching virtually and in-person experience. I'm an instructor at Italian school of Isfahan, Safiran Sepehr Tehran institute, lingotalk site and also I'm working as an oral translator in the field of health tourism at AITO company. I was a local tour guide, and I was an oral translator in a tourism exhibition as well.

I've passed some courses including tour guiding, translation of political texts and first aid. And I can understand basic English and French.

I try to be knowledgeable, patient, caring, a good team player and a good learner along with having a firm discipline.

I assume our goals and interests are aligned, I think we'd both accomplish more if we work together.
